

Egg Box Scavenger Hunt

- * Go on a walk and see if you can find all of the items below.
- * Print out or draw the pictures and then stick them on the lid of an egg box. Collect the items in the corresponding spaces.
- * You could use any box or tub if you don't have an egg box.

If you only have an egg box with six spaces, find six of the items first and then go for another walk to find the next six!

Happy Hunting!
