

Equality Statement and Objectives

Equalities Statement

At St John's CE Primary School we are committed to:

- promoting equality of opportunity
- eliminating discrimination and harassment
- valuing diversity and promoting positive relationships
- providing an inclusive education which enables all pupils to develop their full potential.
- meeting the requirements of the Equality Act 2010.

The Equality Act 2010

The Equality Act 2010 replaces previous anti-discrimination legislation with a single Act. The Equality Duty is set out in section 149 of the Act. It replaces the three previous public sector equality duties – for race, disability, and gender – and covers the following protected characteristics:

- Disability
- Race and ethnicity
- Gender
- Gender identity
- Marriage and civil partnership (but only in respect of eliminating unlawful discrimination)
- Pregnancy and maternity
- Religion and belief
- Sexual identity

We ensure that we have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Act.
- advance equality of opportunity between people who share a characteristic and those who don't.
- foster good relations between people who share a characteristic and those who don't.

The Governing Body will ensure, that in the cycle of policy reviews, that policies and practices are scrutinised to identify the effects they have on individuals or groups of people in relation to equality.

Our school aims to be an inclusive school. We actively seek to include all our children in our school community. We do not exclude individual pupils, or groups of pupils. This means that equality of opportunity must be a reality for our children, and we make this a reality through the attention we pay to the different groups of children within our school with consideration of the following protected characteristics:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership (but only in respect of eliminating unlawful discrimination)

- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

Values and Beliefs

We are an inclusive school where pupils, parents, staff, governors, the local authority, and local services work in partnership to meet the needs of the community. We celebrate the positive contribution made by different social, ethnic, and linguistic groups.

At St John's CE we place a high emphasis on **RESPECT** - respect for our friends, our family, our teachers, but most importantly respecting ourselves by living our school values each day.

Staff and governors demonstrate our values and commitment to equality by: -

- ensuring acceptable behaviour,
- responding to incidents and complaints in a proactive way,
- providing access to services, facilities, and information,
- recruiting and employing people fairly,
- meeting specific needs.

Equality Objective

The Equalities policy outlines the commitment of the staff, pupils, and governors of St John's CE School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At St John's CE School, equality is a key principle for treating all people fairly and creating a society in which everyone could fulfil their potential - irrespective of their sex, race, disability, religion or belief, sexual orientation, age, gender re-assignment or any other recognised area of discrimination including pregnancy and maternity.

School in Context

The school is made up of an equal balance of boys and girls though this differs slightly in each cohort of children. There are a small number of children from different ethnic heritage with the vast majority of pupils from white English-speaking backgrounds, so every effort is made to ensure an inclusive family atmosphere prevails. There are a small number of children with medical conditions and learning difficulties. The school is easily accessible for parents and governors with physical disabilities, of which there are a very small minority.

Ethos and Atmosphere

At St John's CE School, the leadership of the school community demonstrates mutual respect between all members of the school community.

- There is an *openness* of atmosphere which welcomes everyone to the school.
- All within the school community are prepared to challenge any type of discriminatory and/or bullying behaviour, eg through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions
- All pupils are encouraged to greet visitors to the school with friendliness and respect.
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities.

Monitoring and Review

St John's CE School is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which everyone is encouraged to fulfil her or his potential.

We collect and analyse a range of equality information for our pupils/students:

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disablism, sexism, homophobia and all forms of bullying

- Parental involvement
- Participation in After School Activities and Learning Activities

Our monitoring of activities enables us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups to make necessary improvements.

St John's CE School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community to respect and respond to the diverse needs of our population.

Information may be collected regarding: -

- Applicants for employment
- Staff profiles
- Governing body profiles
- Training events

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of the policy and any action planning is the headteacher.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions.
- Work with the governing body on matters relating to equality.
- Support evaluation activities that moderate the impact and success of this policy
