What is your child learning?

The school website provides clear and comprehensive curriculum planning that allows parents to see exactly what their child will be learning throughout the year. By visiting the class pages, families can access termly learning overviews and detailed breakdowns of subjects, ensuring they feel informed and connected to their child's educational journey. This also helps parents support learning at home. <https://www.stjohnsburscough.co.uk/class-pages>

World Book Day

It was wonderful to see so many children arrive dressed as their favourite book characters for World Book Day—every costume was full of colour and imagination. The effort put into the World Book Day dioramas was equally impressive; each one showcased dedication and originality which meant they were incredibly difficult to judge!

Dance Competition

Our Junior Dance Team put on a fantastic performance in this year's competition, embracing the theme of *Sport* with amazing creativity and teamwork. Their routine seamlessly blended elements of synchronised swimming, taekwondo and gymnastics, showcasing not only their dance skills but also their imagination and commitment. The judges were incredibly impressed, and we are delighted to share that the team secured a well-deserved **Silver Award**. A huge well done to all our talented dancers — we are so proud of you!
