Hi-Fives

A huge congratulations to our Hi Fives netball team, who competed at Tarleton High School in the first round of the qualifiers this week. The team played five matches and won all five, scoring an incredible 54 goals in total.

This was an amazing team effort, showing excellent sportsmanship throughout the tournament. If the team are successful in the next round, they will qualify for the finals in Blackpool – a brilliant achievement to aim for.

Well done to all the players and thank you to Mr Evans and the parents who supported the team. We are very proud of you all!

Please note: Dogs are not permitted on the playground. This is to help maintain good hygiene for children, and because some children may feel frightened around dogs.

We kindly ask for your understanding and cooperation in helping keep the playground a safe, clean, and welcoming space for all children. Thank you. Please let family members know.
